Adoptive Leave Policy

Introduction

Dublin City University (DCU) is committed to providing an equal, inclusive and diverse environment in which all members of the University community should expect to be able to thrive and be respected and valued for their unique perspectives and contributions. This policy specifies the arrangements in place at Dublin City University for the administration and monitoring of the University's Adoptive Leave Policy.

Purpose

The purpose of this policy is to provide clarity regarding Adoptive Leave entitlements for eligible employees of the University, to leave from work to legally adopt a child, in accordance with the Adoptive Leave Act 1995, amended by Adoptive Leave Act 2005 and Extension of Periods of Leave Order 2004.

Employees who are employed on fixed term contracts whose contract is due to expire during a period of Adoptive leave, their leave and their adoptive leave related pay from the University will end in line with the date of their temporary contract of employment.

Scope

This policy applies to eligible employees of the University, both academic and support, including those employed in its research centres.

Policy Statement

All employees who qualify under Adoptive Leave Acts 1995–2005 will be granted Adoptive Leave.

A qualified adopter is either:

- The sole adopter, in the case of a parent who is adopting a child on their own
- The *nominated parent* in the case of an adopting couple.

Payment of salary (less state Adoptive Benefit) during Adoptive Leave is not a statutory entitlement and is contingent upon compliance with the agreed terms and conditions of this policy.

Leave Entitlements

- Eligible employees are entitled to 24 consecutive weeks of statutory paid leave. In addition, employees have the option of availing of up to 16 weeks' unpaid leave immediately following the initial period of paid leave.
- An employee can begin their Adoptive Leave from the date the child is placed with them.

- Adoptive leave and additional unpaid Adoptive leave are not considered as part of any other absence including sick leave or annual leave.
- Annual leave and public holiday entitlements will continue to be accrued during Adoptive Leave. Service will also continue to remain unbroken and increments will continue to apply.
- Annual leave may, on application and with approval from the Head of School/Unit, be taken immediately after Adoptive leave. Where unpaid Adoptive leave is being taken, this must follow immediately after 24 consecutive weeks of statutory paid leave, and annual leave follows unpaid Adoptive leave.
- In the case of an employee who is on probation at the start of their Adoptive Leave, their probationary period will be extended to cover the leave period.
- All employees are entitled to return to their own position at the end of the Adoptive Leave.

Pre and Post Adoption Visits by Social Workers

- An employee is entitled to time off work for pre-adoption and post-adoption visits by social workers / health board officials, without loss of pay.
- The employee must give two weeks written notice, with evidence of appointments, to HR & the Head of School / Unit before the appointment.

Pay arrangements and Adoptive Benefit

Paid Leave

- Employees entitled to Adoptive Leave will normally receive full (pro-rata) pay from the University, less State Adoptive Benefit, for the initial 24-week period of the leave.
- A deduction, where appropriate, from salary equivalent to the maximum weekly rate of Adoptive Benefit payable will be automatically applied at source by the University.
- Adoptive Benefit from the Department of Social Protection (DSP) should, therefore, be claimed by an employee who is availing of Adoptive Leave from the University. Information on how to claim Adoptive Benefit is available from <https://services.mywelfare.ie> and by viewing information under the heading *Parents, Children, Family*
- If the amount of Adoptive Benefit payable is less than the maximum, or if an employee is not entitled to any Adoptive Benefit, they should notify HR immediately, by emailing askhr.ie, to ensure that any salary adjustments are correct. Changes to the automatic deduction can be made provided the employee furnishes a copy of the DSP's written notice to HR of the actual Benefit rate applicable, if any. Deductions, where appropriate, will be made during the 24 week period of Adoptive leave. If the absences are recorded late

any arrears due will have to be deducted from salary after the date of notification.

- Adoptive Benefit payment is a taxable income. The DSP will provide Revenue with the details of any Adoptive Benefit payment and Revenue will collect the tax due. For more information on taxation of Adoptive Benefit, please refer to <https://www.revenue.ie> and view the information under *Taxation of DSP payments*.

Unpaid Leave

- The additional 16 weeks Adoptive Leave is unpaid and can only be taken immediately following the 24 week statutory paid Leave.
- There is no entitlement to statutory Adoptive Benefit during additional Adoptive leave.
- Upon return to work the employee should ensure that they have the Application for Adoptive Leave Credits Form signed and stamped by Human Resources which will enable the Department of Social Protection to maintain their PRSI records.

Information specific to Adoptive Leave in Research Funded areas

- Research funded employees will receive normal pay less the State Adoptive Benefit. The top-up on the State Adoptive Benefit to full pay will be covered by the Principal Investigator (PI) / Research Programme from the respective external research grant where allowable under the grants terms and conditions.
- In the event that this is an ineligible expense under the research grants terms and conditions and/or there are insufficient resources available to fund the adoptive pay top-up, the PI will submit a proposal to the University seeking funding to cover the arrangement.
- Information submitting a proposal seeking funding to cover the arrangement is available from the [Maternity / Adoptive Leave Toolkit](#) on the HR website under the Manager tab.

Adoptive Benefit

- An employee may be entitled to receive a Statutory Benefit for Adoptive Leave
- To qualify for Statutory Benefit the employee must have paid sufficient Pay Related Social Insurance (PRSI) contributions.
- Information on how to claim Adoptive Benefit is available from <https://services.mywelfare.ie> and by viewing information under the heading Parents, Children, Family.

Replacement of an Employee on Adoptive Leave

- There is no guarantee that the University will be able to replace, in every instance, employees that are on Adoptive Leave.

- Any case for a temporary replacement will be treated on its own merits and in relation to relevant operational and resourcing considerations for the area.

Additional Supports

The following supports, exclusively provided by the University, are available to employees during and after their adoptive leave.

Keep in Touch (KIT) Days

- Employees on adoptive leave have the option of availing of up to three Keep in Touch (KIT) days during the initial 24 weeks of their adoptive leave without affecting their pay.
- The days can be used for any activity which would ordinarily be classed as work under their contract of employment. KIT days are optional and the activities to be undertaken should be agreed in advance between the employee and their line manager.
- Employees will be entitled to apply for paid time off in lieu (on their return from 26 weeks adoptive leave) for any KIT days worked.
- The administration of KIT days will be managed locally between the manager and employee.

Teaching Free Period on return from Adoptive Leave

Academic employees with teaching commitments may apply for a research exclusive period following their adoptive leave. This is available for one semester and must be availed of within the first 12 months of returning to their post.

The conditions of the Teaching Free period are as follows:

- The teaching-free period is for a maximum of one semester and must be taken in one block;
- The employee will need to discuss and confirm the uptake of this option with the Head of School at least 6 weeks before their return to work date. The discussion should include agreement on specific goals to be achieved in relation to the teaching free period;
- It is recommended that the Head of School and employee meet twice during the no teaching period to discuss progress regarding the successful reintegration of the employee into the workplace;
- Recording of take up of the No Teaching Period will be held locally.

Application Process

- The employee must put their application for Adoptive leave in writing to HR at least 6 weeks before the commencement of leave. A Certificate of Placement (for domestic adoptions) or Declaration of Suitability (for intercountry adoptions) confirming the adoption must be subsequently forwarded to HR within 4 weeks of the child's placement date.
- A letter confirming the Adoptive Leave arrangement and conditions will be issued by HR to the employee.
- The AB1 Form for Adoptive Benefit completed by HR will be needed by the employee when making a claim for Adoptive Benefit.
